Welcome Back

I hope you had a wonderful Christmas break. The teachers and staff enjoyed a full day of in-service training on Monday. We welcomed Al Stewart to our campus for a workshop on preschool team building. He had us up singing and playing games while we learned -- just like we do with the children. Robin LeCates led an art workshop for us where we talked about incorporating child created art into our daily lives.

The church is almost ready to open the new wing! The crews are finishing up the detail now so that by the middle of February we can move into the new spaces. Infants, Toddler 1, and Toddler 2 classes will have new homes. The building includes 5 new classrooms, a preschool chapel area, Rev. Rachel's office, contemporary worship space and sitting areas you will enjoy.
