Parents' Association President

I truly can't believe that the school year is coming to an end! It really does not seem possible that Summer is just around the corner!

I hope that all of you have had an incredible school year. We sure have! It has been a joy serving as the Parents' Association President and I think we have accomplished a lot. Thank you to all of the wonderful parents and teachers that

have contributed so much to UP Methodist Weekday School.

Again, thank you for letting me act as the President and for such a great year. May God bless all of the UPUMCWDS families throughout the Summer and we look forward to seeing everyone for the 2007-2008 school year!

The Parents' Association

Did you know.....

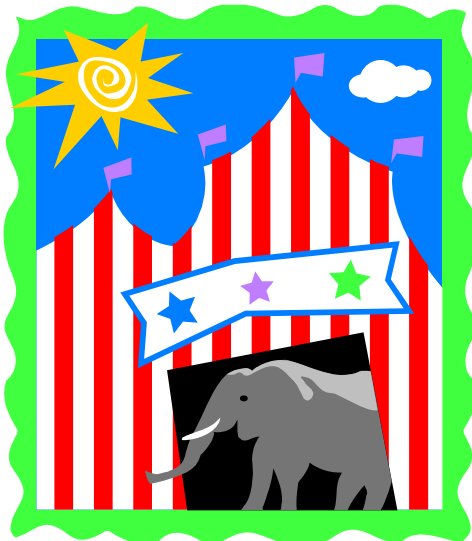

that you can find copies of the newsletters from the office and the Parents' Association, as well as the school calendar and other facts by visiting www.upumc.org/pages/Weekday_School

The Parents' Associate was created to:

- support the mission of the Weekday school,
- get the parents involved in the school,
- develop a sense of community among the teachers, children and parents,
- plan school gatherings and fundraisers, and
- assign room mothers.

Although there is a board in place, it takes the participation of all parents to

help in achieving these goals. It is our hope that every family will join the Association. The annual dues, \$20 per family, goes toward the teachers bonuses, equipment and other items needed by the school. If you would like to become more involved in the Association, there are several volunteer and board opportunities. Forms to join are available in the office. You may contact the 2007-2008 Association President, Holly Philbin, for more information, philbin@sbcglobal.net
