How will you participate in Worship + One?

Worship is the foundation of doing Christian life together—but our growth doesn't stop when worship ends. Jesus invites us to take what we experience in worship and live it out throughout the week.

That's why we encourage everyone at UPUMC to embrace Worship + One: make worship the foundation, then choose one additional way to grow as a disciple—join a Small Group, participate in Service, grow in Generosity, or Share Your Faith.

What will your + One be? Choose your next step and make it part of your weekly rhythm as we grow together in faith and live out the life Jesus calls us to lead.

Use the QR Code to take the Discipleship Assessment to help you find your strongest strategy for committing to Worship + One.
