

Closing Litany- (edited from Ilka Vegas: 2023 Mosaic of Faith)

All:

- † Because we believe that:.... God is the Creator of all people, and all are God's children in one family;
- † Because we believe that:.... racism is a rejection of the teachings of Jesus Christ;
- † Because we believe:.... that racism denies the redemption and reconciliation of Jesus Christ;
- † Because we believe that:.... racism robs all human beings of their wholeness
- † Because we believe that:.... our strength lies in our racial and cultural diversity and that we must work toward a world in which each person's value is respected and nurtured;
- † Because we believe that:..... our struggle for justice must be based on new attitudes, new understandings, and new relationships, and must be reflected in the laws, policies, structures, and practices of both church and state;
- † Because we believe:we commit ourselves as individuals and as a community to follow Jesus Christ in word and in deed, and to struggle for the rights and the self-determination of every person and group of persons.
- † Because we believe . . . we commit!
