Prayer Labyrinth

Name your worry
Center your thoughts
Give your burdens to God

• Place your finger on the outside entrance of the labyrinth and trace its inward journey to the center of the maze. As you move toward the center, quiet your mind. Allow yourself to confront your innermost worries and fears. Begin naming them to God, who is walking alongside you as a guide and companion.

• You have reached the center of the labyrinth pattern. You may arrive with an insight, or feel a sense of peace or joy at completing your journey in. This is a time to receive whatever God has for you. Take the time to stop and pray, expressing what is on your heart.

• Keeping your finger on the pattern, begin moving away from the center back towards the entrance. Reflect on your experience and prepare to go back into your day. Take a greater awareness of God's presence with you.
